

Single Family Home

The Smaland

**One-Story
2 Bedroom**

Smaland is a county in Sweden known for its beautiful artisan and commercial glass making.

Continuing the Little Sweden tradition, we have designed this villa with a Scandinavian touch - yet each with its own distinct characteristics.

This spacious single family home offers you and your family 1,548 square feet of living space. Featuring master suite, guest bedroom, 2 baths, a large living area with fireplace, dining room and well-appointed kitchen, utility room, plenty of storage space, garage, and a 4 seasons room with a serene woodland view. Living area all on one floor.
