

# Direct Deposit Authorization Form

### Here's how the Direct Deposit works:

Your rental income will be deposited in your account. The amount of the deposit will appear on your bank statement and you will continue to receive your Rental Statements from Little Sweden. We believe you will like the added convenience of having your rental check automatically deposited for you.

The Direct Deposit is safe, convenient and easy. This authorization form gives Little Sweden authority to deposit your rental check into your account.

### All you need to do is:

- 1) Indicate whether your rental income will be deposited into your checking or savings account by marking the appropriate box.
- 2) Fill in your name, financial institution name and location, and date.
- 3) Attach a voided check for verification of all financial institution information.
- 4) Please note, if the account you authorize is inactive, you will be charged a return transaction fee
